Shown here - 10' x 8' base unit with the door installed on the eave side!

This unique wooden hobby sunhouse kit is an ideal multipurpose backyard shed. Use this sturdy yet handsome building for storage of lawn and household items or use it as a hobby greenhouse for all your pre & post season growing needs! The sunhouse kit is the most versatile shed of it's kind. From greenhouse to storage, to the ultimate project space, the Solar Shed can be customized to meet any need. Let the sun shine on all your projects... this is your solution for organized storage. The unique [available options](#) combine with the gable roof style to give you maximum value for your storage dollar! Use for storage or as a small workshop or hobby space. **Call 1.800.922.4760 to order now!**

- Patented Stud wall and rafter construction (patent no.5.937.591)
- 2 x 4 construction provides the ultimate in strength for extreme weather conditions and peace of mind for long lasting quality.
- Base unit includes four aluminum roof, tempered glass, windows
- Add up to 2 additional 4' extenders - glass roof or solid roof - your choice (see next page)
- Comes with four adjustable vents for cross ventilation
- Pre-assembled, pre-hung, 32" wide x 6' high door saves time and effort.
- Treated, pre-primed [SmartSide\(TM\)](#) siding
- Premium rust-resistant keyed locking lever giving you a measure of security for the contents of your shed.
- Continuous galvanized steel hinges providing superior strength to your shed door system.
- Flexible door location! This means you can install the door on either the gable end or the eave side.
- Large 3 1/2" overhangs on eaves to add style and protection, adding elegance and long lasting quality.
- Snow load (LIVE LOAD) rating is 25.2lbs / sq. ft.
- Building is rated to withstand 90 mph "un-sustained" winds
- All parts numbered, pre-cut & pre-Drilled for easier assembly
- Backed by a 15 year limited warranty
- Spacious work or storage area features a back wall height of 6', front wall height of 3' and a peak height of 9'
- **Important** - Interior must be painted if used as a greenhouse; not reflected in quantities set out below.

To our Florida customers... *Due to Florida's 125mph wind load restrictions, it should be noted that this building cannot be made to conform to many South Florida building codes.

Obtaining necessary permits is the sole responsibility of purchaser. Customers agree to hold ScreenHouses Unlimited and manufacturer free of any liability for improper installation, maintenance and repair.
